**Explanation of Responses:**

1. These performance stock units, granted on May 22, 2008, were contingent upon (a) certain performance criteria pertaining to the registrant's fiscal year 2009 having been satisfied and approved by the Compensation Committee of the registrant's Board of Directors, and (b) the reporting person's continued employment with the registrant. The Compensation Committee has determined that only 96.7% of the units originally reported should be approved. This amendment reflects the actual number of units that the reporting person will receive upon the vest date (May 22, 2011), assuming continued employment.
