ITEM 1. SECURITY AND ISSUES

This Amendment No. 5 to statement on Schedule 13D (this "Statement") relates to the Common Stock, par value \$.10 per share (the "Common Stock"), of Acxiom Corporation, a Delaware corporation (the "Issuer" or the "Company"), the principal executive offices of which are located at P.O. Box 8180, 1 Information Way, Little Rock, Arkansas 72203.

This Amendment No. 5 amends and restates in full each of the items set forth below. Capitalized terms used but otherwise not defined herein have the meanings ascribed to them in the Schedule 13D originally filed November 29, 2006 (the "Original Statement").

ITEM 4. PURPOSE OF TRANSACTION

MMI Investments purchased the Shares as part of its investment activities. The Reporting Persons intend to review and evaluate the investment by MMI Investments in the Common Stock of the Issuer on an ongoing basis and may, depending upon their evaluation of the business and prospects of the Issuer, or such other considerations as they may deem relevant, determine to increase (but not more than 14.9% of the outstanding Common Stock), decrease, or dispose of MMI Investments' holdings of Common Stock. As a part of such review and evaluation, the Reporting Persons may communicate with the Issuer's management, directors and other shareholders, including as described below.

On May 16, 2007, the Issuer announced that it had entered into a definitive merger agreement (the "Merger Agreement") to be acquired by Silver Lake and ValueAct Capital (the "Proposed Merger"). According to the Issuer's press release, under the terms of the Merger Agreement, shareholders of the Issuer would receive \$27.10 per share in cash at the closing of the Proposed Merger. The Reporting Persons do not believe that the merger consideration adequately values the Issuer and, accordingly, do not believe that the Proposed Merger is in the best interest of the shareholders of the Issuer. Consequently, based on the currently available information and terms, the Reporting Persons intend at this time to vote against the Proposed Merger.

On May 18, 2007, MMI Investments submitted to the Issuer's Board of Directors a letter, filed as Exhibit 2, hereto, expressing its intention to vote its shares in opposition to the Proposed Merger and outlining its reasons for such intention. In such letter, MMI Investments expressed its belief that the Proposed Merger is at a price that does not represent fair value for their shares of the Issuer based upon a number of factors and valuation metrics. MMI Investments also expressed concerns regarding the sale of the Issuer at this time and the structure of the sales process, including particularly the "go-shop" provision which MMI Investments believes is a poor substitute for a full auction process. The foregoing description of the letter is qualified in its entirety by reference to the copy of the letter attached hereto as Exhibit 2 and incorporated herein by reference.

On May 29, 2007, MMI Investments transmitted to the Issuer a Notice, as required by Article II, Section 15 of the Issuer's By-Laws, that MMI Investments proposes to nominate for election as directors at the Issuer's 2007 Annual Meeting of Stockholders for a term ending in 2010, John S. Dyson, Clay B. Lifflander and Alan L. Rivera. The position, principal occupation and business address of each of Messrs. Dyson and Lifflander are shown on Schedule I. Mr. Rivera is a Member, Executive Vice President and Secretary of MCM, and a Voting Member, Executive Vice President Chief Financial Officer and General Counsel of Millcap Advisors, LLC. Mr. Rivera's business address is 1370 Avenue of the Americas, New York, NY 10019. Additional information will be contained (and available at www.sec.gov) in preliminary proxy material that MMI Investments expects to file with the Securities and Exchange Commission in connection with the Annual Meeting.

As a result of some or all of the actions described in the preceding paragraph, MMI Investments may no longer be able to rely on the exemption under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act") for shares held solely for investment purposes and, accordingly, in order to retain its flexibility to determine, as described above, to increase (but not to more than 14.9% of the outstanding Common Stock of the Issuer) MMI Investments' holdings of Common Stock where the value of such holdings upon any such increase exceeds \$59.8 million, MMI Investments on June 11, 2007, filed a Notification and Report Form under the HSR Act, seeking clearance for such acquisitions. MMI Investments was granted early termination of the waiting period pursuant to the HSR Act on June 28, 2007.

On July 13, 2007, MMI Investments submitted to the Issuer's Board of Directors the letter filed as Exhibit 3 hereto regarding MMI's opposition to the proposed merger and the reasons therefor and expressing its intention to file proxy materials with the SEC to solicit votes against the merger.

The Reporting Persons and their representatives intend to monitor developments relating to the Proposed Merger including any details relating thereto, on a continuing basis, and intend to review the Proposed Merger and potential alternatives available to the Issuer. At any time and from time to time, the Reporting Persons may engage in discussions with members of the Board of Directors of the Issuer and management of the Issuer as well as with other shareholders of the Issuer and other interested parties regarding the Proposed Merger, potential alternatives and other matters of interest to the Issuer's shareholders, proposals for alternative transactions or structures to the Proposed Merger, and with respect to the Reporting Persons' investment in the shares of the Issuer, including, without limitation, the business, operations, governance, management, strategy and future plans of the Issuer. The Reporting Persons also reserve their right to review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto.

Other than as described in this Item 4, neither Reporting Person, nor, to the knowledge of each Reporting Person, any individuals listed on Schedule I, has any current plan or proposal that relates to or would result in any of the transactions or other matters specified in clauses (a) through (j) of Item 4 of Schedule 13D; provided that the Reporting Persons reserve the right to develop such plans or proposals. Depending on various factors, including, without limitation, the status of the Proposed Merger and alternatives thereto, the terms of the Proposed Merger or any alternative thereto that may arise, the outcome of the discussions, if any, referenced above, the Issuer's financial position and business strategy, the price levels of the shares of Common Stock, and conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, voting their shares of Common Stock to support or oppose the Proposed Merger or an alternative, tendering into an offer to purchase the Issuer's Common Stock, purchasing additional shares of Common Stock, selling or otherwise disposing of some or all of their shares of Common Stock, or changing their intention with respect to any and all matters referred to in this Item 4.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a)-(b) Based on 80,320,683 shares of Common Stock outstanding as of June 12, 2007, as reported in the Issuer's Preliminary Proxy Statement on Schedule 14A filed with the SEC on June 27, 2007, the Shares owned by MMI Investments represent approximately 8.0% of the outstanding Common Stock. MMI Investments has the sole power to direct the vote and disposition of such Shares on the date of this Statement. However, by virtue of being the general partner of MMI Investments, MCM may be deemed to be the beneficial owner of the Shares owned by MMI Investments and to have sole power over the voting and disposition of such Shares as a result of its having the sole power to make voting and disposition decisions on behalf of MMI Investments with respect to such Shares.

Except for the Shares owned by MMI Investments, as of the date hereof, neither MCM nor, to MMI Investments' and MCM's knowledge, any of the persons listed on Schedule I, owns any Common Stock of the Issuer or has any right to acquire, directly or indirectly, any beneficial ownership of other Common Stock of the Issuer.

(c) There have been no transactions with respect to the Common Stock during the past 60 days or since the most recent filing on Schedule 13D (whichever is less) by MMI Investments, MCM, or, to either Reporting Person's knowledge, any of the persons listed on Schedule I.

(d) No person other than MMI Investments is known to either Reporting Person to have the right to receive or the power to direct the receipt of dividends from or the proceeds from the sale of, any of the Shares referred to in Item 5(a) above.

(e) Not applicable.

Board of Directors
Acxiom Corporation
c/o Charles Morgan, Chairman & Company Leader
#1 Information Way, PO Box 8180

Dear Members of the Board:

MMI Investments, L.P.'s opposition to the proposed acquisition of Acxiom Corporation ("Acxiom") by ValueAct Capital ("VA") and Silver Lake Partners ("SL") for \$27.10 per share, and intention to vote against such transaction, have only intensified based upon the information contained in the recently filed preliminary proxy statement. The disclosure in the "Background of the Merger" section have strengthened our belief that: 1) the \$27.10 price is inadequate and unfair to Acxiom stockholders, 2) the process surrounding the VA/SL deal and the present "go-shop" is flawed in both its conception and execution, and 3) the views of the Board (particularly that now is the time to sell Acxiom and that stockholders would not be willing to wait for a better result from a restructuring) demonstrate a short-term mind-set that we believe is inconsistent with the Board's fiduciary responsibilities. We note the following details:

Price:

- The Board's negotiations with VA & SL yielded an increase from the group's opening bid of only \$1.10 per share, or approximately 4% of the original deal price and a multiple of LTM EBITDA still 14% below the multiple offered by VA in their prior hostile offer (the prior multiple, if applied today would yield a deal price of more than \$32.50 per share).
- Management's base case projections suggest fair LBO value (assuming a 20% IRR) of above \$30 per share, with upside case valuations for an LBO sponsor in the mid-\$30's (even higher if the acquirer already owns nearly 13% of the Company at a lower cost basis, as VA does). To our surprise, neither of Acxiom's well-compensated financial advisers elected to include an LBO analysis in arriving at their fairness opinions.
- Both financial advisers made substantial adjustments to EBITDA as part of their analyses underlying their fairness opinions, without corresponding adjustments to Enterprise Value, we believe. Based on the publicly-available information in the preliminary proxy statement and other Acxiom filings, we do not agree with either opinion's "Adjusted EBITDA" but note that both appear to make the mistake of reducing EBITDA for the costs of capitalized leases and software, without reducing the debt for those obligations. We believe this error reduces all Discounted Cash Flow and Enterprise Value divided by adjusted EBITDA calculations by approximately \$2 per share.

Process:

Based on the disclosure in the preliminary proxy statement, it appears that:

- VA Managing Partner & Acxiom Board Member Jeff Ubben continued to participate in Board discussions regarding a sale of Acxiom for more than a week after announcing VA's interest in possibly acquiring the Company – including discussions regarding the status of Acxiom's negotiations with Participant 1 and Participant 2, wherein he learned the updated valuation range of these private equity firms pursuing Acxiom at the time and management's statement that such private equity firms would likely not be prepared to make an offer to purchase Acxiom at the price they had previously indicated.
- The Board did not form a special committee to negotiate with bidders until April 30th – more than 10 days after Ubben announced VA's interest in possibly acquiring Acxiom.
- The Board had previously shared confidential information with several potential strategic acquirers, but chose not to invite them to bid prior to signing the definitive agreement with VA & SL.
- The Board elected to pursue a “go-shop” process with a break-up fee, having already reached a definitive agreement with a buyer with informational and cost basis advantages, rather than an auction process with an even playing field.

Board's Short-Term Mind-Set:

- The “Background of the Merger” disclosure is replete with references to the Acxiom Board and special committee's short-term focus on signing a deal before announcing 4th quarter earnings (which were in-line with consensus estimates) and fiscal 2008 guidance (10¢ below consensus estimates) for fear of the market reaction – despite their acknowledgement in the preliminary proxy of having already missed consensus estimates in eight of the prior 16 quarters.
- In its review of “value creation alternatives”, the Board determined that a cost savings initiative would be in the best interests of stockholders and enhance long-term stockholder value, yet later concludes, noting the “short-term focus of the public markets”, that “it would be in the best interests of the Company's stockholders to implement this cost savings initiative as a private company...”
- The Board considered, but did not follow up on, value maximization alternatives for the ITO business – a strategic action that we feel would be highly beneficial to Acxiom, and one which we expect any financial sponsor would likely enact.

We eagerly await a prompt announcement regarding the results, if any, of the “go-shop” process. We believe that the intrinsic value of Acxiom's operations and technology are great enough to garner significant interest and a better price despite the Board's severe mishandling of the sale process to date. In the meantime, for the reasons described above we remain opposed to the \$27.10 per share transaction with VA & SL and intend to file proxy materials with the SEC to solicit votes against approval of the transaction at the upcoming special meeting.

Sincerely,

/s/ CLAY LIFFLANDER

Clay Lifflander
