**VALUEACT CAPITAL LAUNCHES ACXIOM-RELATED WEBSITE,
WWW.CHANGEATACXIOM.COM, IN SUPPORT OF ITS EFFORT
TO ELECT THREE VALUEACT NOMINEES TO ACXIOM'S BOARD**

San Francisco, July 20, 2006 – ValueAct Capital today announced that it has launched a new website in support of its effort to elect three ValueAct Capital nominees—Jeffrey W. Ubben, Louis J. Andreozzi and J. Michael Lawrie—to the Board of Directors of Acxiom Corporation at Acxiom's 2006 Annual Meeting of Stockholders.

Now up and running at www.ChangeAtAcxiom.com, the new website was created to provide Acxiom stockholders a broad range of information on why change is urgently needed on the board of directors at Acxiom.

“Acxiom stockholders deserve far more and far better than what they have been getting from the company's current board and management team,” said ValueAct Capital Managing Partner Jeff Ubben. “As a major Acxiom stockholder since 2003 and currently the company's largest stockholder, we have undertaken this proxy contest to drive for needed change—which can only come about, in our view, if there is meaningful change at the board level. The website we have established makes the need for change loud and clear, and makes equally clear why ValueAct Capital's board slate is the superior alternative.”

Included in the new site is a summary of ValueAct Capital's involvement with Acxiom since its initial investment in June 2003; of the governance-related and performance-related reasons why ValueAct Capital lost confidence in Acxiom management's ability to maximize value for all Acxiom stockholders; of the background and strong qualifications of ValueAct Capital's board nominees; of ValueAct Capital's outstanding track record of value creation; and of ValueAct Capital's action plan to build value for all Acxiom stockholders.

Also included in the website are links to relevant SEC filings; press releases; and selected media coverage. The date of Acxiom's 2006 Annual Meeting of Stockholders has not yet been set but the meeting is required and expected to be held by September 3, 2006.

About ValueAct Capital

ValueAct Capital, with \$3.5 billion in investments, seeks to make active value investments in a limited number of companies. The firm's principals have demonstrated expertise in sourcing investments in companies they believe to be fundamentally undervalued, and then working with management and/or the company's board to implement strategies that generate superior returns on invested capital.
